

Labfinder UI Documentation - Varun Mokarala

1. Home Page (URL: <http://localhost:3000/>)

- **Description:** This is the main landing page of the Labfinder application. It serves as the entry point for users, offering navigation options to other parts of the application.

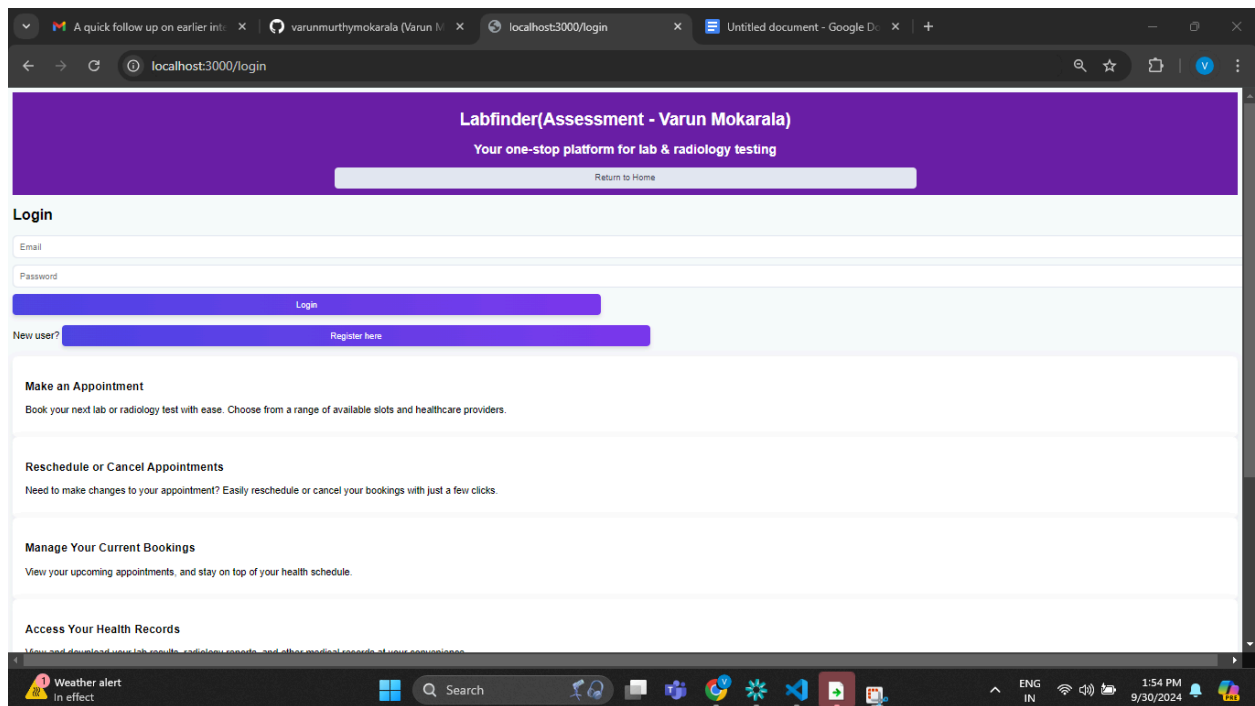

2.1 Login Page URL: <http://localhost:3000/login>

- **Purpose:** Allows existing users to log in using their credentials.
- **Elements:**
 - Username/Email Field: Input box for the user's email or username.
 - Password Field: Password input box.
 - Login Button: Submits the form and authenticates the user.

2.2 Register Option

- **Elements:**
 - Register Button: Redirects to the registration page.

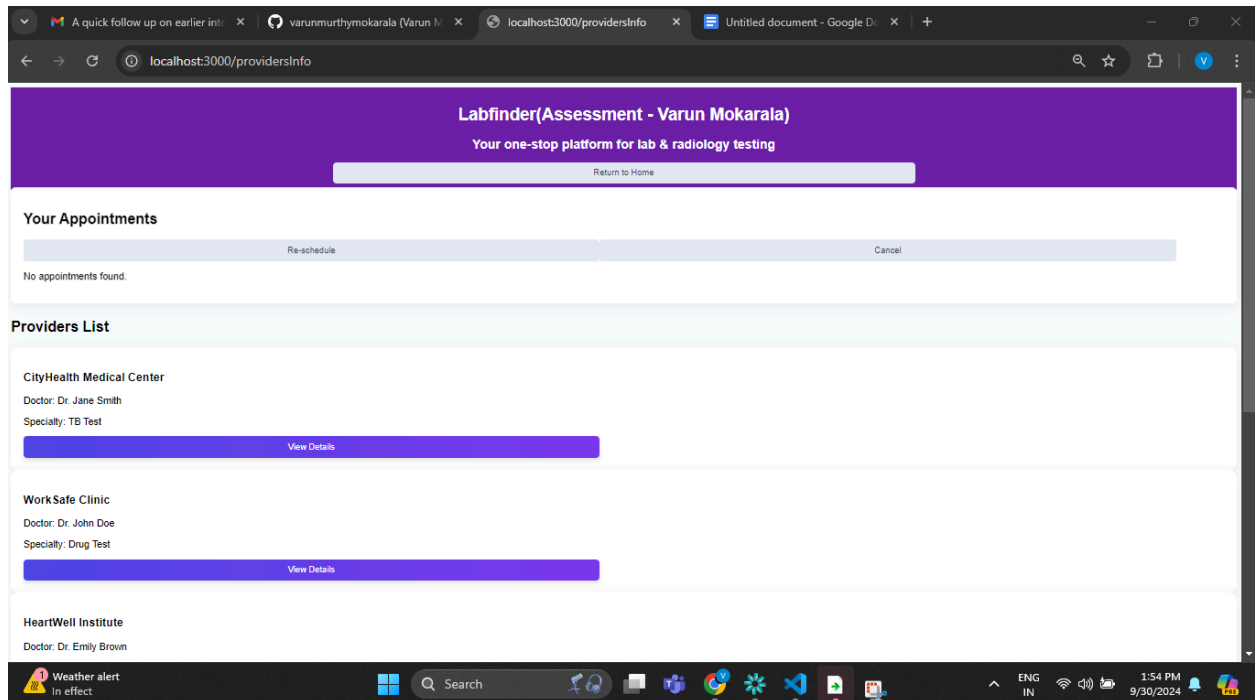

3.1 Providers List Section URL: <http://localhost:3000/providersInfo>

- **Purpose:** Lists all available providers in a structured format.
- **Elements:**
 - Provider Cards: Each card contains the provider's name, address, and contact information.

3.2 Provider Details Section

- **Purpose:** Displays detailed information for a selected provider.
